**Preparing Our Company for Your Future**

Business Quality Policy

At acpo ltd. we strive to achieve World Class Excellence by using principles and practices that drive Continuous Improvement across our value chain. Our focus is firmly on our customers by making decisions for growth in the long term to ensure a healthy sustainable business.

- Our operations are designed in a safe and environmentally friendly manner.
- Our culture is one of enthusiastic spirit for continuous improvement where employee involvement and idea generation is encouraged and expected.
- Our leaders promote rapid and effective change through teaching/mentoring and participating in Kaizen events.
- Our partners are selected based on leadership and excellence in their market and are treated with respect.
- To avoid complacency, we systematically implement standard practices of external benchmarking and internal auditing.

A handwritten signature in black ink, appearing to read 'Dennis M. Liebman', is positioned above a horizontal line.
