## **Business Environmental, Quality and Safety Policy**

At acpo ltd we strive for continuous, sustainable improvement across our value chain and management systems by:

- Providing a safe and injury free workplace
- Protecting the environment within our facility, in products for our customers and through communication to our community
- Complying with all applicable laws, regulations and standards as a minimum
- Minimizing disposal by waste reduction and recycling
- Producing what our customers expect when they want it at the best possible value to them
- Using safe and environmentally friendly products throughout the facility
- Setting and regularly reviewing environmental, quality, safety and performance goals and objectives
- Auditing and benchmarking our systems and processes
- Including all employees, whenever possible, in continuous improvement initiatives

I expect each to give your very best effort every day and I promise you mine.
